Digital ID and Authentication Council of Canada (DIACC) -
Operations/Program Management Support
Toronto, Ontario, Canada

Experience

Digital ID and Authentication Council of Canada
Operations/Program Management Support
September 2018 - Present (6 years 2 months)

DIACC (Digital ID and Authentication Council of Canada)/ Le Conseil Canadien de l'identification et de l'authentification numériques (CCIAN) was created as a result of the federal government's Task Force for the Payments System Review. The DIACC is a non-profit coalition of public and private sector leaders committed to developing a Canadian digital identification and authentication framework to enable Canada's full and secure participation in the global digital economy.

Member organizations range from small 1-5 person shops to large multinational corporations with over 500,000 employees. Represented are: provincial and federal governments, financial institutions, networks for payments and for identity verification, technology service providers, strategy and integration experts.

DIACC Operations - Support member journey from inquiries, invoicing, payments, to on-boarding and CRM administration. Assist in organization of DIACC hosted events and support activities related to events where DIACC is a community partner, speaks at the event or supports the activities of other DIACC member speakers. Provide support for Board Member meeting activities.

DIACC Program Management Support – Support committee members to identify business priorities and requirements for adoption of identity solutions and services and ultimately for the adoption of Canada's Digital Trust Framework schemes.
