Priyanka Patel

Innovation Manager at Kenya Red Cross Society
Nairobi County, Kenya

Summary

Graduate with an International Relations Degree from United States International University-Africa.

Proud mother to a daughter.

A vibrant and enthusiastic professional with over 6 years' experience in innovative approaches, project management, and partner relationships to support community focused solutions and adoption of best practices.

Mentoring youth on innovative methodologies and creative thinking is amongst the multiple strengths she possesses.

A strategic thinker, a passionate enabler of humanitarian solutions, an environmental advocate, a great communicator, Priyanka advocates for humanitarian solutions to be designed with and for the community for sustainability and improved ownership towards a resilient society.
