

# Our Team

Our diverse team of dedicated professionals convenes around a set of values that will reflect your experience of ProofSpace.

We are...

- **Customer-centric**: ProofSpace is here today because listening to customers is in our DNA.
- **Committed**: we do what we say we're going to do.
- **Substantiated**: our vision is ambitious, but we only make claims we can substantiate.
- **Collaborative**: we work to meet your requirements and navigate the complexity of online identity.
- **Friendly**: we love getting to know the people who make ProofSpace what it is!
