I think Kaye-Maree did an excellent job bringing people together from around the country for the 2010 Maori Housing Hui. Over 300 people gathered in Rotorua for this hui organised by Kaye-Maree Dunn of Community Housing Aotearoa. Made obvious at this hui was the shared understanding that building housing is inseparable from building community. Good housing and neighbourhoods are the crucial underpinning of living well and with purpose - supporting employment, civic engagement, and the shared sacrifice and joy that which all communities are made of. Thank you very much Kaye-Maree for making it happen!
