About

Having worked with startups and established enterprises for more than two decades, my expertise lies in the technology space, and I have played a key role in driving these organisations' growth and success.

I have had the opportunity to work with some notable organisations in senior positions, including:...

Did you know that the amount of money Australians lost to scams increased by over \$1 billion last year?

According to the Australian Competition and Consumer Commission (ACCC), Australians reported a record-breaking \$3.1 billion in scam losses in 2022, surpassing the \$2 billion lost in 2021. But here's the kicker—th...

Founder & Owner of Meppy | Certified Keap Partner | Email Deliverability & Engagement Specialist | All unsolicited emails marked as spam :) June 25, 2006, Mark worked with Tim but on different teams

I have worked with Tim on various IT projects over the last 6 years and recommend him highly. Tim has an exceptional understanding of technology and how it can be best put to use in a business environment. He has excellent project and personal skills for any size project. His ability to develop multiple solutions to complex problems is a key strength.

Associate Director at Accenture May 8, 2006, Ben was Tim's client

I've worked with Tim on a number of IT Projects specifically around Microsoft Windows Products. I've always found him to be a very quick, smart and conscientious professional. He can think outside the square and never forgets the customer.
