November 29, 2021, Tvishi G was senior to Khushi but didn't manage Khushi directly

Khushi is a delightful individual to work with. Over the last few months she has displayed a strong sense of commitment towards her role, a deep sense of curiosity towards things not known to her, a immense care of the people she works with.

November 26, 2021, Adnan managed Khushi directly

Khushi is a proactive, inquisitive, and ambitious individual. She continually strives to achieve her best work, enabling her to develop personally and professionally in the process. Her personable nature and strong sense of camaraderie have demonstrated to me that she has the capacities to excel in any team environment. Ultimately, both her attitude and application makes her an ideal colleague to work with.
