## Experience

Hypermine | Creators of HypersignID

Data Privacy Architect

August 2023 - Present (1 year 2 months)

Bengaluru, Karnataka, India

I'm on a mission - a mission to redefine the game as the Data Privacy Architect here at Hypermine. In a world where innovation meets responsibility, my role isn't just a job; it's a symphony of securing, innovating, and leading.

### **\*\*What I Bring to the Stage:\*\***

#### 1. **\*\*Strategic Brilliance :\*\***

- Crafting and executing a data privacy strategy that aligns seamlessly with an organizational goals and global regulations.

#### 2. **\*\*Policy Wizardry :\*\***

- Shaping, refining, and elevating our data privacy policies to gold-standard status, always one step ahead of compliance demands.

#### 3. **\*\*Data Lifecycle Maestro :\*\***

- Dancing through data lifecycles, ensuring each move is a beat of compliance and security. Collaboration with our tech wizards to ensure data's security groove is always on point.

#### 4. **\*\*Risk Slammin' ##:\*\***

- Identifying vulnerabilities before they become headaches. Collaborating with our cybersecurity team to maintain an impenetrable data fortress.

5. **Privacy by Design Maestro :**

- Turning our tech dreams into reality while weaving privacy magic from the project's inception. I am the architect, and privacy is my blueprint.

6. **Breach Avenger :**

- A data privacy superhero leading investigations, resolving incidents, and emerging victorious. Legal, IT, and communication teams follow my lead.

7. **Training Virtuoso :**

- Training our troops to be privacy warriors. Embedding a culture where privacy isn't just a concept but a way of life.

8. **Vendor Maestro :**

- Ensuring our partners dance to the privacy rhythm. Integrating privacy into every vendor selection move.

9. **Audit Virtuosity #0#:**

- Regular check-ups, but for our privacy health. I'm the doctor, and our data privacy is in my expert hands.

## ECS

Vice President of Digital Transformation

May 2018 - August 2023 (5 years 4 months)

Bangalore

**Strategic Product Management Leader | Driving Digital Innovation for Transformative Solutions**

With a proven track record in managing pivotal product roadmaps, I have spearheaded groundbreaking initiatives in Digital KYC, DigiSign, and InsureKYC domains. As a hands-on leader, I meticulously crafted and executed project plans, defining clear objectives, scopes, and timelines. My expertise lies in fostering seamless communication and collaboration across multifaceted teams, ensuring a unified vision and unparalleled product development.

# **Agile and Scrum Evangelist | Transforming Visions into Reality**

I bring a wealth of experience in Agile and Scrum methodologies, overseeing sprints and meticulously prioritizing User Stories. By optimizing internal

processes and engaging in day-to-day Scrum activities, I have consistently driven efficiency, ensuring our solutions are not just delivered but exceed expectations.

#### **\*\*Strategic Stakeholder Engagement | Cultivating Key Relationships\*\***

At the heart of my success lies the ability to engage and manage relationships with key stakeholders effectively. Through proactive communication and a deep understanding of their needs, I ensure alignment between vision and execution. This collaborative approach has been instrumental in the seamless delivery of high-impact projects.

#### **☁️# \*\*Cloud Architecture and DevOps Expert | Ensuring Unmatched Reliability\*\***

I have a robust history of managing and optimizing cloud architectures, guaranteeing high availability, fault tolerance, and disaster recovery for critical systems. My strategic implementation of DevOps practices and automated workflows has not only streamlined our operations but also led to a remarkable 30% increase in efficiency.
