Riepilogo

I am a lawyer who suddenly fell in love with the art of Credential Evaluation.

I am a Senior International Credential Evaluator and the Head of the Credential Information Center within CIMEA – NARIC Italia.

I'm responsible for the management of the agreements signed with Italian universities to provide verification and evaluation service of foreign academic qualifications and oversees the training activities provided by CIMEA Academy for University staff working in the field of international admissions.

I have research and teaching experience in the field of Fraudulent Documents and Diploma Mills, TNE and International Higher Education Systems.

I am currently involved in the implementation of Diplome, the new evaluation platform incorporating blockchain technology.

I am also the Data Processor of CIMEA in line with the GDPR (General Data Protection Regulation).

I am a proud Member of TAICEP (The Association for International Credential Evaluation Professionals) Research Committee.

I am the President of the first Italian and European Professional Association for Credential Evaluators.
